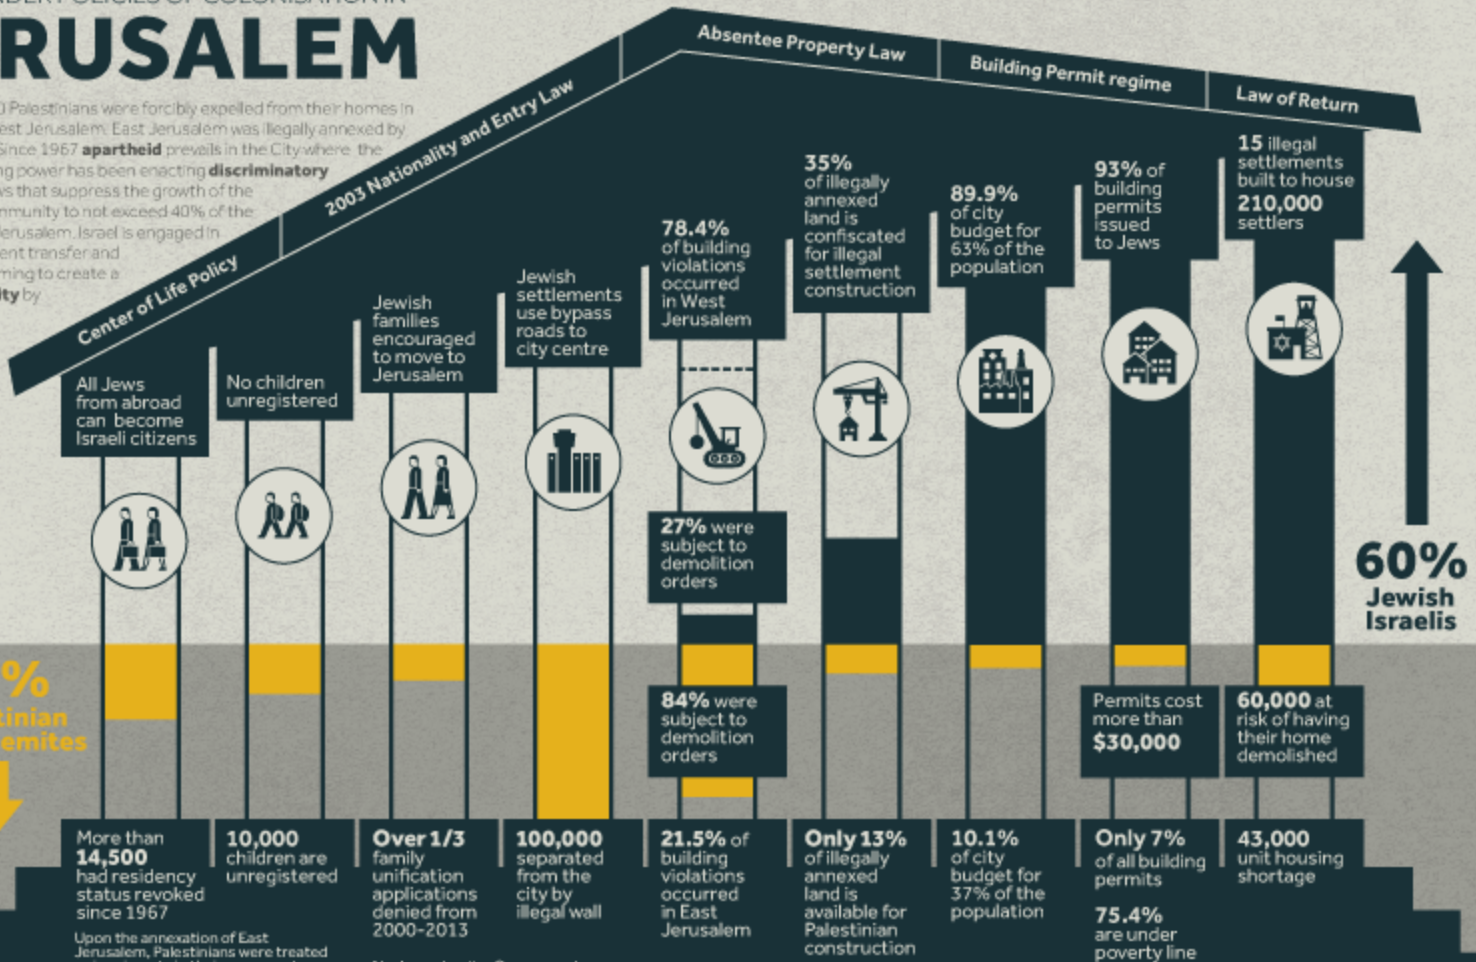
LIVING UNDER POLICIES OF COLONISATION IN

JERUSALEM

In 1948, 80,000 Palestinians were forcibly expelled from their homes in the areas of West Jerusalem. East Jerusalem was illegally annexed by Israel in 1967. Since 1967 **apartheid** prevails in the City where the Israeli occupying power has been enacting **discriminatory** policies and laws that suppress the growth of the Palestinian community to not exceed 40% of the population of Jerusalem. Israel is engaged in a process of silent transfer and colonization aiming to create a **Jewish majority** by illegal means.



Upon the annexation of East Jerusalem, Palestinians were treated as immigrants in their own country and given a revocable residency.

No Jerusalemite–Gazan couples can apply to family unification since 2006.
